- 22.2.1 if it is delivered, when it is left at the relevant address;
- 22.2.2 if it is sent by post, 5 Business Days after it is posted; or

23 Miscellaneous

Assignment

23.1 Except as expressly permitted by the Deed, the Licensee must not assign any of their rights under this Deed without the prior written consent of FaHCSIA. That consent may be given or withheld at FaHCSIA's absolute discretion.

Costs

23.2 Each party will bear its own costs in relation to this Deed, including the exercise of rights and performance of obligations specified in the Deed.

Entire agreement

23.3 This document contains everything the parties have agreed on in relation to the matters it deals with. No party can rely on an earlier document, or anything said or done by another party, or by a director, officer, agent or employee of that party, before the Deed was executed, save as permitted by law.

No agency or partnership

23.4 No party is an agent, representative, partner of any other party by virtue of the Deed.

No authority to act

23.5 No party has any power or authority to act for or to assume any obligation or responsibility on behalf of another party, to bind another party to any agreement, negotiate or enter into any binding relationship for or on behalf of another party or pledge the credit of another party except as specifically provided in the Deed or by express agreement between the parties.

Severability

23.6 If a clause or part of a clause of the Deed can be read in a way that makes it illegal, unenforceable or invalid, but can also be read in a way that makes it legal,

enforceable and valid, it must be read in the latter way. If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from the Deed, but the rest of the Deed is not affected.

Time for action

23.7 If the day on or by which something is required to be done or may be done is not a Business Day, that thing must be done on or by the next Business Day.

Variation

23.8 No variation of the Deed will be of any force or effect unless it is in writing and signed by the parties to the Deed.

Waiver

23.9 The fact that a party fails to do, or delays in doing, something the party is entitled to do under the Deed, does not amount to a waiver of any obligation of, or breach of obligation by, another party. A waiver by a party is only effective if it is in writing. A written waiver by a party is only effective in relation to the particular obligation or breach in respect of which it is given. It is not to be taken as an implied waiver of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.
