

# BeNetWise

**Supporting the most vulnerable kids to protect themselves in the modern world**

**BeNetWise** is a cybersafety project with a twist...

It's not about whether you can twitter, txt or bebo (!!?\*%#) - it's about supporting kids to make safe choices.

## Who should sign up?

These workshops are exclusively for people working or caring in the Out of Home Care and Alternative education sector in Victoria.

We encourage carers, kinship carers, educators, residential care workers, managers, supervisors and team leaders to come along and have their say.

## When/Where?

A list of dates and venues is overleaf.

## How do I sign up?

Please contact Rhiannon Seymour-Jones at Berry Street:

(03) 9429 9266 or [rseymourjones@berrystreet.org.au](mailto:rseymourjones@berrystreet.org.au) for a registration form.

**Workshops are happening all around Victoria so sign yourselves up to help give children & young people in Out of Home Care and Alternative Education the same opportunities that other kids have!**

Research tells us that **vulnerable offline = vulnerable online** and we know that children and young people in the Out of Home Care and Alternative Education sector are among the most vulnerable in our community.

We need your help to develop training packages and tools to help you and your staff and carers to **BeNetWise** and empower the children & young people you work with to make safe choices on and offline.

**Where can I get more information?**

Please contact the Project Officer

Lauren Oliver at Berry Street:

(03) 9429 9266 or [loliver@berrystreet.org.au](mailto:loliver@berrystreet.org.au)

# BeNetWise
