### *Conferences/presentations*

"Preventing adolescent antisocial behaviour: the role of individual characteristics and the family, school and peer environment", Poster presentation at the 11<sup>th</sup> International Society for Research in Child and Adolescent Psychopathology Conference, Sydney, 25-28 June 2003 (D. Smart, S. Vassallo, A. Sanson and I. Dussuyer).

"Peeling back the onion: Helping teachers and students fully utilise an interest based conflict resolution model", Presentation at the 8<sup>th</sup> International Symposium on the Contributions of Psychology to Peace, Sunne, Sweden, 25 June 2003.

"The Longitudinal Study of Australian Children", Presentation to the Regional Centre for Child and Adolescent Psychiatry, Oslo, Norway, 20 June 2003.

"Patterns and precursors of adolescent antisocial behaviour", Presentation to the Department of Justice third Justice Research Lecture, Melbourne, 3 June 2003.

"Childcare in perspective in Australia: The new Longitudinal Study of Australian Children", Paper presented at the biennial meeting and conference of the Society for Research in Child Development in Tampa, Florida, 24-27 April 2003 (A. Sanson, J. Ungerer, S. Wise and the LSAC Research Consortium).

"Cultural transitions in early childcare: The developmental consequences of discontinuity between home and childcare", Paper presented at the biennial meeting of the Society for Research in Child Development, Tampa, Florida, 24-27 April 2003 (S. Wise and A. Sanson).

"Transitions to young adulthood and initiation, persistence and desistance from antisocial behaviour", Poster presentation at the biennial meeting of the Society for Research in Child Development, Tampa, Florida, 24-27 April 2003 (D. Smart, A. Sanson, N. Richardson and I. Dussuyer).

"When are too many care settings too much? Outcomes for children in multiple and changeable childcare", Paper presented at the biennial meeting of the Society for Research in Child Development, Tampa, Florida, 24-27 April 2003 (L. Harrison, J. Bowes, J. Watson, S. Wise, A. Sanson, J. Ungerer, and T. Simpson).

"Changing pathways: How at-risk children avoid becoming antisocial adolescents", Paper presented at the AIFS Seminar Series, Australian Institute of Family Studies, Melbourne, 17 April 2003 (D. Smart, S. Vassallo, A. Sanson and I. Dussuyer).

"Early intervention and prevention of adolescent antisocial behaviour: The role of individual characteristics and the family, school, and peer environment", Paper presented at the Beyond the Rhetoric in Early Intervention Conference, Adelaide, 26-28 March 2003 (I. Dussuyer, D. Smart, S. Vassallo and A. Sanson).

"Patterns and correlates of non-parental childcare in Australia and the U.S.", Presentation to the Commonwealth Workshop on the Impact of Non-parental Childcare on Children, Canberra, 6 March 2003 (S. Wise and A. Sanson).

"Self-regulation and social functioning following paediatric traumatic brain injury", Paper presented at the International Neuropsychological Society Conference, Hawaii, February 2003 (K. Ganesalingam, A. Sanson and V. Anderson).

"Cultural transitions in early childhood: The developmental consequences of discontinuity between home and childcare", Paper presented at the 8th Australian Institute of Family Studies Conference, Melbourne, 12-14 February 2003 (S. Wise and A. Sanson).

"Growing Up in Australia: The Longitudinal Study of Australian Children: Why do it? what is it? where is it at? what will it offer?", Presentation at the 8th Australian Institute of Family Studies Conference, Melbourne, 12-14 February 2003 (A. Sanson with Jan Nicholson, Project Operations Team and the Consortium Advisory Group).

"Parent-child relationships and their connections to adolescent wellbeing", Paper presented at the 8th Australian Institute of Family Studies Conference, Melbourne, 12-14 February 2003 (A. Sanson, P. Letcher and D. Smart).

"Preventing teenage antisocial behaviour: The role of individual characteristics and the family, school and peer environment", Paper presented at the 8th Australian Institute of Family Studies Conference, Melbourne, 12-14 February 2003 (S. Vassallo, D. Smart, A. Sanson and I. Dussuyer).

"Social competence in young adulthood: Development and antecedents", Paper presented at the 8th Australian Institute of Family Studies Conference, Melbourne, 12-14 February 2003 (D. Smart and A. Sanson).

"Multiple and changeable childcare in Australia: How much is there? Why does it happen?", Presentation at the AIFS Seminar Series, Melbourne, 12 December 2002 (S. Wise, A. Sanson and Child Care Choices Research Team).

"The Longitudinal Study of Australian Children: An overview of a major new research initiative", Presentation at the Australian Association for Research in Education (AARE) Conference, Brisbane, 1-5 December 2002.

"The Longitudinal Study of Australian Children", Presentation at the Frozen Futures? A conference exploring the effects of early stress on later outcomes, Australian Association for Infant Mental Health, Inc. and NIFTeY, University of Sydney, Sydney, 14-16 November 2002.

Speaker, Hypothetical Panel Discussion at the Academy of the Social Sciences in Australia workshop on "Building a better future for our children", Canberra, 11 November 2002.

"Introduction to the Project", Presentation at the Launch of the First Report on "Patterns and precursors of adolescent antisocial behaviour" from the collaborative project between the Australian Institute of Family Studies and Crime Prevention Victoria, Melbourne Convention Centre, Melbourne, 31 October 2002.

"Translating research into practice: Working with children in East Timor", Keynote address, Australian Psychological Society Conference, Gold Coast, 28 October 2002

"Children's development and adjustment: Some lessons from longitudinal research", Presentation at the Launch of the "Boys aged 9-12 in the services of Anglicare Victoria: A three month population study", Anglicare Victoria, St James' Conference Centre, Melbourne, 21 October 2002.

"Patterns and precursors of adolescent antisocial behaviour", Paper presented at the 16<sup>th</sup> Australian and New Zealand Society of Criminology Conference, Brisbane, 1-3 October 2002 (D. Smart, S. Vassallo, A. Sanson and I. Dussuyer).

"Patterns and precursors of teenage antisocial behaviour", Paper presented at the Role of Schools in Crime Prevention Conference, Melbourne, 30 September – 1 October 2002 (S. Vassallo, D. Smart, A. Sanson and I. Dussuyer).

"Developmental prevention: The contribution from longitudinal research", Paper presented at the National Crime Prevention Conference, Sydney, 12-13 September 2002 (I. Dussuyer, A. Sanson, D. Smart and S. Vassallo).

"Patterns and precursors to adolescent antisocial behaviour", Presentation at the Family and Community Support Branch, Victorian Department of Human

Services, Melbourne, 10 September 2002 (D. Smart, S. Vassallo, A. Sanson and I. Dussuyer).

“Patterns and precursors to adolescent antisocial behaviour”, Guest Speaker, Crime Prevention Roundtable Series 2002, CPV Conference Room, Melbourne, 5 September 2002 (A. Sanson, D. Smart, S. Vassallo and I. Dussuyer).

“Cultural transitions in early childhood: The nature and consequences of discontinuity between home and childcare”, Paper presented at the Paper presented at the XVIIth Biennial Meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada, 2-6 August 2002 (S. Wise and A. Sanson).

“The role of child temperament, parenting and social context in the development of prosocial behaviour”, Paper presented at the XVIIth Biennial Meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada, 2-6 August 2002 (B. Boratav and A. Sanson).

“The effects of multiple child care arrangements on young children: A comparative study of urban and rural Australian life”, Paper presented at the XVIIth Biennial Meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada, 2-6 August 2002 (J. Bowes, L. Harrison, A. Sanson, S. Wise, J. Ungerer, J. Watson and T. Simpson).

“Shaping preschool children’s emotion regulation: The role of parenting and its relation to children’s behaviour problems”, Paper presented at the XVIIth Biennial Meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada, 2-6 August 2002 (S. Havighurst, M. Prior, A. Sanson and D. Efron).

“Predictors of Australian pre-schooler’s prosocial behaviour and social competence: The role of toddler temperament, parenting and social context”, Paper presented at the XVIIth Biennial Meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada, 2-6 August 2002 (S. Hemphill, A. Sanson and K. Rubin).

“Adolescent antisocial behaviour and depression: An examination of competing models”, Poster presentation at the XVIIth Biennial Meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada, 2-6 August 2002 (D. Smart, A. Sanson, P. Letcher and J. Toumbourou).

“The effects of paediatric traumatic brain injury on self-regulation and social functioning”, Paper presented at the International Neuropsychological Society (INS) Conference, Toronto, Canada, August 2002 (K. Ganesalingam, A. Sanson, V. Anderson and F. Haritou).

“Risk factors for physically aggressive and non-aggressive adolescent antisocial behaviour”, Paper presented at the International Society for Research on Aggression Conference, Montreal, Canada, 28-31 July 2002 (D. Smart, A. Sanson, J. Toumbourou, M. Prior and F. Oberklaid).
